

Uganda 2020 Wish List

The Global Mission Committee is starting to plan MLC's mission trip to Uganda in 2020. Since the items we plan to take with us next year are all summer items, we're putting out our wish list early.

We will be limiting our needs to the following:

- boys' T-shirts and shorts (all sizes)
- girls' dresses, including pillowcase, T-shirt, or other appropriate sun/lightweight dresses (all sizes)
- flip flops (all sizes, including adult).

Please note that these items do not need to be new; used items from Goodwill or St. Vinny's, for example, are fine, along with clothing your kids or grandkids have outgrown. There will be a Hope4Kids donation box in the Great Hallway. Thank you for anything you are able to donate.
